4. The APPROX. size does not include the length of the shoot and motor.
5. Pump with a 20m extension is available on request.

PLEASE RETURN ALL THE DOCUMENTATION TO THE EMAIL ADDRESS MENTIONED ABOVE

How to Inflate a Jumping Castle

1. Ensure the surface is clear of any obstacles and that the castle will not be near a wall or something that can damage, obstruct or tear it, neither on cement, paving, concrete etc which might damage the castle.
2. Remove the castle from the bag and unfold in the space it will be used.
3. Connect the pipe/shoot to the blower, tie off tight and switch on the blower.
4. Secure the castle with pegs or ropes if necessary, specially when used on any sloped area.
5. Wait for the castle to fully inflate and is safely secured before allowing children on to prevent injury and/or damage.
6. To deflate, just switch off the power, untie the pipe/shoot and let the air out.
7. When using our water hoses, please ensure that the black end of our orange hose is still connected and returned to us.

Safety tips and general information.

All children to remove any sharp items/objects and shoes before jumping.

No eating / drinking while jumping.

A ground cover should be used whenever the castle will be operating on cement based or paved surface etc.

Do not allow children with different ages on the castle at the same time since the little ones might get hurt.

We do our utmost best to keep our castles as safe as possible.

Do not allow overcrowding on the castle, especially for safety reasons.

Ensure that all leads or electricity used for the motors/blowers are set up safely, monitored by an adult and always be kept dry.

In the event of loss of power assist children to exit the castle to prevent panic and injury.

For safety reasons the castle should not be operated in windy or rainy conditions.

Do not allow children to play with or near the blower or electrical cords.

Please ensure that the children do not hang on our orange water spraying hoses attached to the castle.

On return of the castles from clients, we clean, sanitise and inspect the castles for safety, health and damage control reasons.

Terms and conditions when hiring a jumping castle: **NB: Only bubble bath to be used with all waterslides.**

1. The owner does not accept any responsibility for loss, damage or injury to any person or property whatsoever.
2. The hirer acknowledges that it is always necessary to have a responsible adult attending to supervise the children and undertakes to ensure strict compliance herewith simultaneously indemnifying the owner against any claim that may be made against the owner arising out of any damages sustained by any person utilizing the fun item, motor or any other equipment.
3. ALL DAMAGES INCURRED TO FUN ITEMS OR MOTORS, OR ANY OTHER EQUIPMENT WHILE IN POSSESSION OF THE HIRER, WILL BE PAYABLE BY HIRER UNLESS OTHERWISE MUTUALLY AGREED TO IN WRITING BY BOTH PARTIES.
4. No children allowed to play with or near motors. Motors must not be left out in the rain or any other water.
5. NO SHOES, SHARP OBJECTS OR FOOD TO BE ALLOWED ON FUN ITEMS.
6. Fun items to stand on a smooth flat surface, preferably on grass and in the shade.
7. Please ensure that the fun item is returned on time otherwise an additional charge can be levied.
8. Please sign, with deposit of 25% (non-refundable if not cancelled before 48 hrs before booking) or full payment, to confirm your booking.
9. NO ADULTS ALLOWED ON FUN ITEMS. ONLY CHILDREN 12 YEARS AND YOUNGER.
10. On hiring one of our inflatable units or making use of our services, you are entering into a lease agreement.
11. On collection or delivery, like with any other agreement, you will need to sign an agreement, indicating an indemnity, which will be part of your invoice/booking. Please read the agreement carefully before you sign and accept the terms and conditions thereof.
12. Please ensure that you are fully aware of the basic and safety rules which must be adhered to at all times.
13. The hirer has read, agrees and understands the conditions of this agreement as set out above.
